## Introduction

A high quality training program is essential to being successful in any position. The Office of Child Safety (OCS) strives to provide a program which supports its staff in conducting work related activities as efficiently and effectively as possible.

This Training Catalog is designed to outline all training requirements for Office of Child Safety employees. Below identifies the progression of mandatory trainings for the Office of Child Safety.

As shown above, all staff are required to complete the new employee orientation, annual and bi-annual training, and annual specialty and ongoing trainings. Staff in the Case Manager series are required to complete pre-service and all investigations staff are required to complete the CPS Investigator Training Academy.

The various sections of this catalog provide in depth details about the mandatory trainings. All courses within this catalog are approved as Continuing Investigations Units (CIU). See page 27 for more details on CIUs.

This document is a working document and will be updated as new trainings are identified.

Web Link: [http://www.mctft.com/telecasts/past\\_telecourses.shtml](http://www.mctft.com/telecasts/past_telecourses.shtml)

Trainer: Multijurisdictional Counterdrug Task Force Training (MCTFT)

Description: Do You Know what Skittling Is? How About Tussing? Chances Are, One In Every 10 Teenagers Does. Recent research shows that while parents are aware of warnings against the dangers of illicit street drugs, both prescription medicine and over-the-counter (OTC) cough medicines are often overlooked as a potential threat. We'll hear from a mother whose son, now 22-years-old, is serving a 13-year prison sentence in Folsom State Prison for actions he took while under the influence. We'll also hear from a person who abused cough medicine and is now telling his story in hopes of preventing someone else from going down the same road. Also, see how CADCA and CHPA are joining forces to educate parents, engage coalitions and reduce this problem through education and policy change. Learn about efforts to designate and recognize August as National Medicine Abuse Awareness Month.
